## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance:

As to claims 1-19, the prior art does not disclose an electric power evaluation system particularly defined *by the characteristic of an analysis module wherein the analysis module calculates and generates an optimum total power rate according to the condition as well as the historical record of the total power rate, the basic power rate, the additional fee for excess usage, and the circuitry allowance; and a contract generation module, wherein the contract generation module generates a contact having an optimum capacity based on the optimum total power rate*; in the combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
